NQT Development Weekend

Fairplayhouse outdoor centre

At a time when recruitment in the borough is difficult and the teaching profession, as ever, constantly in the media in regard to work load and pressures of the role, I find myself looking to additional ways to retain staff. One of the many reasons I love to work in Newham is the huge support structure that teachers across the borough provide for each other – it has kept me going and still keeps me smiling. In my NQT year I was able to form some solid professional relationships and friendships that I still hold close to me now – the borough provided training that enabled me to network and enjoy my first year of teaching. I would like to see new teachers in the borough share the experiences that I had, and, so, I am constantly looking for ways for them to network and form this same support.

On 27 February I have booked Fairplay House for the weekend, for a team building event, for Newly Qualified Teachers, in the borough.

It works out approximately £150 per person from each school

This includes –

- Friday night use of local golf club facilities and dinner
- Saturday all day activities
- All inclusive of food and accommodation

I will also complete some short training sessions on the Friday evening as a welcome and on the Saturday morning – These sessions will be generated depending on a general trend from all schools that participate

I hope that you can see the potential and are as excited by this opportunity as I am.

If you would like to reserve spaces you should contact Rachel Speed. rspeed@centralpark.newham.sch.uk

Introducing the Newham School Business Managers' Network (NewSBM)

SBM recruitment is on the rise in Newham due to the number of schools that are expanding

Why a School Business Manager for the primary sector?

Current Government policies are driving a shift of responsibilities for strategic decision-making and the management of resources from Local Authorities to schools. In Newham we are seeing a rise in the number of schools that are actively recruiting SBMs as they grow. The SBM is a professional role that is widely recognised as an integral part of helping schools make the best use of their resources to support effective teaching and learning of pupils. The desired outcome is that the head teacher and other leaders will be able to focus on curriculum matters leaving administration tasks in the hands of an experienced professional equipped to undertake such activities.

With greater focus on progress and attainment including Ofsted inspections, the greater the reality that head teachers are unable to continue to do the day to day monitoring of the entire school's business. Hence, the responsibilities of the SBM has increased dramatically over the last 10 years.

Why a Network?

SBM recruitment is on the rise in Newham due to the number of schools that are expanding and so SBMs are reaching out more and more to each other for support. It is for this reason

that we decided to form the Newham SBMs network (NewSBM). The main purpose of the network is to share knowledge, expertise and best practice. The network also focuses on various aspects of commonality in schools and discusses how best we can influence this to benefit all; the main focus is currently collaborative buying. Other foci of the network include professional development, collective premises management and SFVS. As a network we believe that we can be more successful individually if we work together collectively.

The Network meets once per term and is open to all Business managers working in **primary, nurseries, free schools, academies and special schools**. However, we are aware that there are still schools which do not have this role and so we are willing to extend the invitation to **finance officers, office managers, premises managers or administrators** who currently carry out these functions in their schools.

If you would like any further information or would like to join the network, please feel free to get in touch with Glynis Brown @Selwyn Primary at Glynis.brown@selwyn.newham.sch.uk or 020 8471 6173.
