Pupils visit Spain and host Luxembourgish visitors

The last few weeks have seen an extended period of cultural exchange at Little Ilford, from Spain to Luxembourg.

During the half-term break 17 eager students and three teachers embarked on Little Ilford's first international residential trip abroad to Alicante, Spain.

While in Spain, Little Ilford students stayed with local, host families to fully immerse themselves in the Spanish culture and develop their language skills in this immersive setting.

The impact on the students has been huge. During their four day stay, they had the opportunity to visit Alicante's city centre, a chocolate factory, attend a local school and take a salsa lesson. Already their teachers can see how

much progress they have made, highlighting just how important it is to be exposed to language in real contexts.

Miss Rogers, Miss Dada and Mr Demart would like to extend a special thank you to the Zador Language School and the director, Amelia, who organised such a fantastic and stress free trip.

Then, on Monday 8th June, eight students and three teachers from Lycée Ermesinde, a secondary school in Luxembourg, visited Little Ilford School.

This visit was the first meeting of the students from both schools, who had been exchanging letters and photos since September.

The Lycée Ermesinde students were welcomed by a group of 12 Little

Little Ilford students and staff in Alicante

Ilford students who had organised a day packed with team building activities, French and English conversations and a tour of the school and the local area.

The Luxembourgish students and teachers were full of praise for their Little Ilford School hosts and were sad to leave at the end of the day. Little Ilford are now looking forward to visiting Lycée Ermesinde in Luxembourg next year.

Message from East London NHS Foundation Trust

NHS Guidance on the use of inhalers in schools

The East London NHS Foundation Trust have released guidance on the provision and use of emergency inhalers in schools.

Sarah Rolfe, General Manager & Lead Nurse for Children & Young People at the Trust explained that: "This guidance is about the use of an emergency salbutamol inhaler being used for children for whom parental consent has been given

where there is a diagnosis of asthma and an inhaler is prescribed, but is broken, empty or lost. It is non statutory and therefore individual schools will make a decision about whether they want to implement it".

The guidance says: "Keeping an inhaler for emergency use will have many benefits. It could prevent an unnecessary and traumatic trip to hospital for a child, and potentially

save their life. Parents are likely to have greater peace of mind about sending their child to school. Having a protocol that sets out how and when the inhaler should be used will also protect staff by ensuring they know what to do in the event of a child having an asthma attack."

Hartley Primary is based in Newham, London and as the host of the London 2012 Olympics, Newham has undergone major regeneration and this is set to continue in the years to come, making it a vibrant borough to live and work.

Our school has recently undergone major building expansion and is in the process of moving from three to four form entry. We currently have 832 children on roll, including 120 children in the Nursery. Our building expansion has given us a new Upper School building, which hosts pupils in years 5 and 6, as well as a brand new multipurpose dining hall.

The progress our children make was recently recognised by the Minister of State for Schools who wrote to us saying:

We believe Hartley has many special attributes and are seeking a Headteacher who will reinforce these, and who can inspire and lead our whole community with a strong sense of purpose and direction. Applications are welcomed from existing Headteachers and Deputy Headteachers.

We are looking for a Headteacher who:

Has a proven track record in improving standards as a senior member of the school leadership team.

Teacher of French

Lister Community School

St Mary's Road Plaistow London E13 9AE
0208 471 3311

(NQTs are encouraged to apply)

required for September 2015 (or as soon as possible)

Do you really believe that non-selective schools can provide as high quality an education as any other school in the country?

Are you passionate about high quality teaching?

Do you want to work in a school where they ask every day 'what is the best way to do this'?

Is your own teaching outstanding, and do you have the skills and knowledge to help others develop their teaching?

Are you resilient, imaginative, thoughtful, conscientious and determined?

Do you treat staff and students the way that you expect to be treated yourself?

Are you continuously on the lookout for examples of outstanding practice which your institution can learn from?

Lister Community School is a large 11-16 comprehensive school at the heart of its

community, and part of a soft federation with our 7 nearest primary schools. Student attainment is rising: our headline 5ACEM figure has risen from 38% in 2010 to 55% in 2013 and we were named in January 2014 as one of the 100 most improved schools. Our November 2013 Ofsted report spoke of the school's 'consistent focus on raising the quality of teaching and developing a culture of learning and high aspirations across the school'. We are determined to build on our recent Ofsted judgement and continue our journey to becoming an Outstanding school in the next two years.

We are determined to provide as good a quality of education as at any school in the country, and to measure ourselves against the best. Our staff regularly visit other schools as part of our Outstanding Practice Programme and this has developed the school's 'outward looking' ethos. Our students are friendly, courteous, motivated and have high aspirations. The school benefits from a range of external partnerships including becoming the first partner school in the Music in Secondary Schools Trust, supported by the Andrew Lloyd Webber Music Foundation and the Charles Wolfson Charitable Trust, and working in collaboration with Highbury Grove School in Islington.

As part of our continued focus on further developing the quality of teaching we are

seeking to appoint a dynamic French Teacher to join our dedicated Modern Foreign Languages Faculty. The ability to teach French to GCSE standard is essential and the ability to also teach Spanish would be desirable but not essential. If you think you have the potential to become an outstanding teacher of French and can benefit from working with our dynamic team, email jobs@lister.newham.sch.uk for an application pack.

The school is committed to safeguarding and promoting the welfare of young people and expects all staff to share this commitment. This appointment will be conditional on successful pre-employment and enhanced CRB checks. Further details and an application form can be downloaded directly from the TES website or Lister's website: <http://www.lister.newham.sch.uk/vacancies> or by contacting Beryl King (Office Manager) on 020 8471 3311.
