

Message from the CEO

I would like to welcome you all to the new school year. NPW begins this term welcoming Paul Norris and Louise Howard to their respective roles as Head of Education ICT and Head of Schools HR. The NPW Board of Directors are setting a new three-year strategic plan for the company that will reflect and progress our commitment to working with schools to provide and develop the services that you need.

I have the following news:

- londonschooljobs.co.uk, our new jobs board, was introduced in the Spring. So far 3,000 applicants have submitted materials to school

vacancies

- NPW is piloting new services for schools in procurement and School Business Manager Networking. The first SBM Conference was held in July, and received extensive positive feedback from those who attended
- Some school SLAs will be due for renewal in 2016, when schools will have the opportunity to benefit from an updated range of services
- We are developing a comprehensive service to support schools with conversion and transition to academies

NPW business continues at a pace and will continue to reflect the changing education environment. Work has been completed on the second floor of Francis House and the School Management Support Team have moved in to new accommodation. We are looking forward to welcoming you to training sessions and events in our new training suite and conference facilities.

I wish everyone the best of luck in the new school year from NPW and I look forward to continuing our partnership.

- Anna Crispin, CEO NPW

Poem from Class 4L United, Hartley Primary School

Don't be bad to people,
Just be nice so they can treat you the way you want.
Do the right thing
not only in spring.
Be positive,
think maturely, don't fight,
use your brain do it right.
Give some respect and you will get some too.
If someone tells you to do something,
first think, and make your choice right.
Don't lie,
and never make someone cry,
Always put a smile on other's faces
like a rainbow shining bright.
If you are bad,
say sorry,
Don't be rude,
It won't make you cool, dude.
Make the right choice and you
Will be a shining star...

Class 4L United

4L United talked about doing the right thing and making the right choices before coming up with sentences to make up this class poem.

Year 4/5 Music Project at Essex Primary School

Pupils spend a week developing poetry on the refugee theme

All Year 4 classes at Essex Primary School were delighted to receive special workshop sessions with the much-respected musician, Alex Wilson. The beaming maestro captivated pupil's attention with his exuberant, positive attitude and professional musical excellence.

To create their own song, children chose and adapted verses from Benjamin Zephaniah's acclaimed 'We Refugees' poem and composed melodies and rhythms to fit. Each class produced their own unique musical composition which was then put together with the other classes to form a large ensemble, singing in the round.

During the week, year 4 children had studied and developed poetic language on the refugee theme, then drafted and published their own poetic works. A number of these pieces were also integrated into the performance by their proud authors.

Whilst Year 4 were writing their poems prior to Alex's arrival, Year 5 learnt about the countries and religions of refugees that live or

have lived in the local Manor Park area: Ireland, Judaism, Bangladesh and Somalia. Each class worked with their own musician to create performances of songs to present this History and celebrate the lives of refugees. 5F performed traditional Irish folk music and told the tale of how Irish communities moved to England and the USA to escape the devastation caused by the potato famine. 5S captured the essence of Jewish music as they sang melodies and mastered a difficult musical counterpoint in Yiddish and in Hebrew. 5K incorporated Music and Drama beautifully as they presented the story of a family's tiresome yet vital journey from Persia to Bangladesh. Finally, 5B touched the hearts of the audience as they celebrated Somalia through song. This class performed the perfect finale for such a moving music project as they danced and sang with confidence.

In well-orchestrated rehearsals, the year groups and musicians strove to combine their works into a seamless, polished collaboration. Teachers from year 4 and 5 worked together successfully to ensure the

Essex pupils performing

project reflected the hard work and talent of the students. The result was a moving exposition of the plight and pride of refugees from all around the world and in our own neighbourhood. Both performers and audience will forever remember the humbling message, "We can all be refugees."

(Seeking to appoint graduates to this role) required for September 2015
Unqualified Payscale point 1 - £20,092.00

Do you really believe that non-selective schools can provide as high quality an education as any other school in the country?

Are you passionate about high quality learning?

Do you want to work in a school where they ask every day 'what is the best way to do this?'?

Do you have the skills and knowledge to help students who are experiencing difficulties in their learning?

Are you resilient, imaginative, thoughtful, conscientious and determined?

Do you treat staff and students the way that you expect to be treated yourself?

Lister Community School is a large 11-16 comprehensive school at the heart of its community, and part of a soft federation with our 7 nearest primary schools. Student attainment is rising: our headline 5 A-C figure has risen from 49% in 2010 to 68.4% in 2014 and we were named in January 2014 as one of the 100 most improved schools. Our November 2013 Ofsted report

spoke of the school's 'consistent focus on raising the quality of teaching and developing a culture of learning and high aspirations across the school'. We are determined to build on our recent Ofsted judgement and continue our journey to becoming an Outstanding school in the next two years.

We are determined to provide as good a quality of education as at any school in the country, and to measure ourselves against the best. Our staff regularly visit other schools as part of our Outstanding Practice Programme and this has developed the school's 'outward looking' ethos. Our students are friendly, courteous, motivated and have high aspirations. The school benefits from a range of external partnerships including becoming the first partner school in the Music in Secondary Schools Trust, supported by the Andrew Lloyd Webber Music Foundation and the Charles Wolfson Charitable Trust, and working in collaboration with Highbury Grove School in Islington.

As part of our continued focus on supporting excellent student progress we are seeking to appoint Academic Coaches who will take on a caseload of students who require support to improve their literacy. The successful candidate will be expected to provide 1:1 and small group coaching on a weekly basis for approximately 25 key stage 3 and key stage 4 students. They will manage their own timetable, liaise closely with other school professionals and plan learning activities to help their students progress. We are particularly seeking to appoint graduates in English or Humanities.

If you think you have the potential to

become an outstanding team member and interact on a daily basis with our students providing them with a positive learning experience then please apply by email to: jobs@lister.newham.sch.uk for an application pack.
